## Comedy Magic

A trick a minute.  
How does he do it?

- 2 Late Night Shows
- 3 Family Style Programs

Children marvel at Jay's magic.  
Adults are completely entertained.

## Sleight Of Hand

Receptions, Trade Shows, Parties & Grad Nights

Jaw dropping tricks are presented to small groups as Jay travels around the room. Another system is to set up a special magic zone, where guests can spend unlimited time, experiencing a variety of amazing, awesome and original feats of skill.

Jay Leslie's magic can be performed just as fun entertainment or to help businesses by magically communicating specially scripted dialogue that applies to your companys needs.

## Mentalism

Corporate Events, Grad Nights & Private Parties

Jay correctly reveals the secret thoughts of your audience & he predicts the outcome of events well before they happen. It's an amazing show to experience.

Recognized worldwide as a leading expert in all forms of magical entertainment, Jay Leslie guarantees you'll experience the very best performance at a reasonable price.

# Escapes

Motivational Assemblies, Grand Openings & More

Escapes can be incorporated into any size program. They generate great publicity and increase attendance. Jay also creates a powerful message "Nothing Is Impossible" by escaping from real challenges at motivational meetings & assembly programs.

# Illusions & Stage Magic

- Fundraisers
- Company Parties
- New Product Introduction

Large illusions usually require a stage but many shows can be performed in banquet rooms, clubhouses or offices.

"Amazing" is the most used description by customers, "You far exceeded our expectations" is second & "We will invite you back again" comes in third .

# Jay Leslie IS

# Leslie

A great magician does more than entertain.

He learns his craft from established magicians and by performing several thousand live shows for corporate sponsors, on television, at theme parks & in the homes of the rich and famous.

He additionally performs at schools, libraries & museums because great magicians educate, motivate & inspire people of all ages, especially when they perform their own original & amazing magic.
